## **Perfect Dimension Studios Ltd Releases *Save The Pencil* Version 1.2**

**Featuring the new Blueprint chapter, bonus levels, and more.**

LONDON, UK – March 9<sup>th</sup>, 2011 – Perfect Dimension Studios Ltd today announced that version 1.2 of *Save The Pencil* is now available in the App Store. The new update includes the Blueprint chapter, which consists of 15 brand new levels featuring the all new Teleport Dots and Scissors enemy.

The update also adds bonus level packs for the first two chapters, each of which unlocks 10 new puzzling levels. There are also 8 new Game Center achievements, plus a free *Save the Pencil* wallpaper downloadable through the store.

"We've been amazed by the response to *Save The Pencil*," said Paul D, the developer of game. "With over 3 million users we're now able to spend more time on development. Our large, dedicated user community also helps us improve the end product."

*Save The Pencil* is an addictive, fun, level-based puzzle game where players must guide their pencil friend, HB, safely between dots, whilst avoiding numerous obstacles and collecting stars on the way. It currently has in excess of 3 million users, with almost half a billion levels played.
